"We can lift ourselves
out of ignorance
we can find ourselves
as creatures of excellence
and intelligence and skill.
We can be free!
We can learn to FLY!

. . . and then we will be ready
to begin the most difficult,
the most powerful of all —
to fly up and know the meaning
of kindness and of love."

Richard Bach
Jonathan Livingston Seagull

To those who have served to show us how much there is to be learned, and who have done their best to instill in us the power of knowledge, we extend our sincere gratitude, and dedicate the 1974 TORCH to the faculty of Tenney Memorial High School.

C'mon, Coach! I'm getting tired!

Let's wrap it up and go home!

A simple "thank-you" is all we can say to Mr. Whiting for all the help and understanding he's shown. It's one thing to advise, but another to show genuine concern, as he has. He's been many things to many people; Advisor, friend, teacher. But the one thing he's given everyone, is a reason to say:

"Thanks, Mr. Whiting!" From the class of '74.
